

ExLibris Learning Center

About Ex Libris

Ex Libris is a leading provider of automation solutions for academic libraries. Offering the only comprehensive product suite for electronic, digital, and print materials, Ex Libris provides the efficient, user-friendly products that serve the needs of libraries today and will enable them to transition into the future. Ex Libris maintains an impressive customer base serving thousands of sites in more than 70 countries on six continents.

Dedicated to developing creative solutions in close collaboration with our customers, Ex Libris enables academic, national, and research libraries to maximize productivity and efficiency and, at the same time, greatly enhance the user experience. By empowering patrons to discover and obtain the information they need, libraries ensure their position as the bridge to knowledge.

You've made the investment...

and implemented an Ex Libris solution. The infrastructure is in place. The question now, is how to leverage its capabilities? Leveraging technology requires knowledge. Your library staff needs to be informed, requiring a reliable source for information and training. The Ex Libris Learning Center is your gateway to the knowledge required to maximize the use of all Ex Libris solutions, helping to ensure that you have the capabilities to harness the full range of benefits that these solutions offer.

We would like to welcome you to the new Ex Libris Learning Center. Everything you need to know about Ex Libris solutions training is here, online 24/7. The Learning Center also provides an environment where you can "meet", share information with, and learn from fellow library staff from the world.

The Learning Center enables you to learn how to maximize the usage of your Ex Libris solutions, by offering a variety of lesson types such as:

Initial, pertaining to new product installations

Ongoing, providing more advanced and refresher training

"How to", focusing on a specific topic or advanced feature

"What's new?", dealing with service packs and new version features

General, overviewing a product's purposes and capabilities

Access the lessons you need when you want

The Learning Center is online 24/7, offering an ever-growing repository of interactive lessons complementing the topics covered by our instructor-led training courses. A subscription to the Learning Center will enable your institution to access the knowledge that will turn your novice users into expert users who will then be able to maximize the capabilities of your Ex Libris solution.

Get your subscription today!

Access to the Learning Center is available via a yearly subscription fee, providing your organization with the number of licenses you require.

To register to the Learning Center right now, visit <http://www.exlibrisgroup.com/category/LearningCenter> or contact learn@exlibrisgroup.com.

Key Benefits for Your Users:

Easy access to training: Get the training your team needs, when it is needed.

Learn from your colleagues: The Learning Center environment fosters communication with fellow library workers from around the world.

Intuitive interface: The Learning Center is based upon the popular Moodle Learning Management System, used by millions of users worldwide (<http://moodle.org/stats/>).

Key Benefits for Your Library:

Get the most from your investment in training: Your Learning Center subscription will reduce your overall training costs by complementing and enhancing the instructor-led training you receive.

Maximize the efficacy of your Ex Libris solutions' capabilities: By making knowledge available when you need it, you will be able to support your Ex Libris solutions more effectively.

Learn about other Ex Libris solutions: The Learning Center includes information about all Ex Libris solutions, so you can discover how you can enhance your offerings to your patrons.

For more information about how you can benefit from the Learning Center or to register for a subscription, please visit <http://www.exlibrisgroup.com/category/LearningCenter> or contact learn@exlibrisgroup.com.
